System requirements for Autodesk ReCap Pro app for iPad

Hardware	ReCap Pro for mobile is a pairing of two specific platforms for optimum performance and ease of use: • Leica BLK360 imaging laser scanner • Apple® iPad® Pro tablet (10.5" or 12.9") While the iPad Pro can handle initial scan data formatting, registration, and inspection, most users will also require a Windows laptop or desktop computer for more advanced ReCap operations. Hardware and software requirements of this computer are specified in ReCap System Requirements.
Software	Apple iOS 10.0 or higher is required on the Apple iPad Pro. Apple iTunes® is required on both the Apple iPad Pro and the associated Windows laptop or desktop computer.
